BryLin Behavioral Health System Congratulates Dr. Brian Joseph

(Buffalo, NY) – BryLin Behavioral Health System would like to join the American Board of Psychiatry and Neurology, Inc. (ABPN) in congratulating Dr. Brian Joseph, ABPN diplomat in Forensic Psychiatry, for successfully passing the Forensic Psychiatry re-certification examination on April 21, 2014.

In becoming Board certified, Dr. Joseph has completed rigorous training and achieved the gold standard in each of the six core competencies of patient care, medical knowledge, interpersonal and communication skills, professionalism, system-based practice, and practice-based learning and improvement to practice quality specialized medicine in Forensic Psychiatry.

A psychiatrist with over 40 years of experience, Dr. Joseph was hired in March of this year by BryLin Behavioral Health System as their Medical Director for Electroconvulsive Therapy (ECT). Dr. Joseph continues his forensic practice and general psychiatric practice in Buffalo and is also a member of the faculty at both Harvard Medical School and in UB's Department of Psychiatry, where he performs a variety of teaching duties.

About BryLin Behavioral Health System:

BryLin Behavioral Health System offers comprehensive mental health care and outpatient chemical dependency treatment services. At BryLin Hospital, short-term inpatient psychiatric care is provided to children, adolescents, and adults in need of psychiatric crisis stabilization. At the BryLin Behavioral Health Center, both outpatient mental health care and outpatient chemical dependency care are available. For more information on BryLin Behavioral Health System, visit www.brylin.com.
